Remarks:

Any document on Dr. Martin Luther King would, when processed by ER, be indexed under Dr. King's name. ER searched its index cards in October and provided OGC with all such cards mentioning Dr. King and three documents pertinent to the inquiry. Although the 19 November Justice Department letter clarifies its earlier request, it stands that any document on Dr. King would be indexed by ER under his name; we have therefore not repeated the earlier search.

MEMORANDUM FOR: D/ES

Re OGC's 23 November 1976 request for material on Martin Luther King. ER records for 1960 through 1975 were checked in October 1976 for all material regarding Dr. King. Attached is a copy of our findings from that search. Included in that material is a 1964 letter from the FBI re Dr. King plus copies of ER index cards.

I believe it would be useless to make the same search again.
